Measures to protect complainants/whistleblowers/confidentiality and witnesses

๑. In considering complaints, the level of confidentiality and protection of relevant persons shall be determined in accordance with the Regulation on Protection of Official Secrets, B.E. ๒๕๕๔ (๒๐๑๑) and the submission of the matter to the agency for consideration, the informant and the complainant may suffer, for example, the complaint against the public servant shall be considered as an official secret. If it is a cool card, consider only those who provide evidence. The case of the environment is obvious. If the name and address of the petitioner are not concealed, the petitioner's address must be notified to the relevant authorities and the petitioner shall be protected as follows: "The supervisor shall exercise reasonable discretion and order to protect the petitioner, witnesses and persons who provide information in the investigation from harm or unfairness that may arise from complaints of testimony or the provision of such information." The name of the accused must be protected by both the petitioner and the respondent because the matter has not yet gone through the fact-finding process. In the event that the complainant states in the request for concealment or does not wish to disclose the name of the complainant, the agency must not disclose the name of the complainant to the agency or the respondent because the complainant may suffer according to the cause of the complaint.

๒. When a complaint is made. The petitioner and the witness shall not be subject to any action that affects their work or livelihood if it is necessary to take any action, such as separating the workplace to prevent the petitioner, the witness and the accused from meeting each other, etc. The consent of the petitioner and witnesses is required.

๓. The request of the victim, petitioner or witness, such as the request for a change of workplace or the method of prevention or resolution of the problem, should be considered by the person or agency responsible as appropriate.

๔. Protect the complainant from being bullied.

Measures to protect the accused

๑. During the consideration of the complaint, the accused is not considered guilty. They must be fair and treated the same as other people.
๒. Give the accused the opportunity to fully clarify the allegations and the right to present documents and evidence.
